The Refined Student

Etiquette & Deportment Program for Middle & High School Students

Where confidence meets grace — one session at a time.

Our 8-week program teaches young people the timeless skills of etiquette, deportment, and social confidence that open doors in every area of life. Students complete 8 sessions of 2 hours each — 16 hours of hands-on, transformative learning — culminating in a proud Graduation Ceremony included in the final session.

WHAT STUDENTS LEARN

01 Foundation & First Impressions

Program orientation, personal values, the power of a great introduction, and the basics of body language and posture.

02 Dining & Table Manners

From place settings to conversation at the table, students learn to navigate formal and informal dining with ease and elegance.

03 Social Greetings

Firm handshakes, warm introductions, and the art of making others feel genuinely welcomed and seen.

04 Communication & Presence

Confident eye contact, active listening, polished conversation, and how to speak with clarity and purpose in any setting.

05 Social Events & Occasions

How to conduct oneself at receptions, ceremonies, and formal gatherings — from arrival to gracious departure.

06 Grooming & Presentation

Understanding the value of personal presentation — dress, hygiene, and the quiet power of showing up polished and prepared.

07 Ladylike & Gentlemanly Conduct

The timeless values of respect, courtesy, and consideration — brought to life through real-world practice and role-play scenarios.

08 Graduation Ceremony

A celebration of growth, character, and achievement — for students, families, and the communities they represent.
